

Do you need help paying your water and wastewater bills? **Help is available.**

The Low-Income Household Water Assistance Program helps families with their drinking water and wastewater bills. LIHWAP is a grant you do not have to repay.

LIHWAP has expanded and now offers assistance to help eligible households with the monthly financial burden of their water and wastewater bills. The program continues to assist households that have past-due bills, are disconnected from water services, or under threat of disconnection. Recipients who applied for LIHWAP before October 1, 2022, may be eligible for a second crisis benefit, up to \$2000, to pay their past-due water bill.

TO QUALIFY FOR ASSISTANCE:
